

# Valentine Cocoa

Trim packet, fold, glue tabs down and insert a pack of instant cocoa.  
 Add an old-fashioned red peppermint stick or cinnamon stick for love stick.  
 For a sweet gift, put cocoa and stick in a mug. Wrap with tulle and tie off with a pretty bow.

Happy Valentine's Day!

Here's Valentine Cocoa  
 to warm you up.  
 Just pour with hot water  
 into your cup.

Stir it with the love stick  
 and when done,  
 Cupid will be aiming  
 in **YOUR** direction!
